

FB-1610 PENDANT DOME

Bracket for regular camera

Shown with optional **FS-0032** for camera board

A versatile dome for regular cameras also adaptable for board cameras.

This lightweight pendant dome kit is furnished with an upper ABS black dome and a removable lower acrylic dome that can be ordered clear, smoke or opaque with a clear or smoke viewing window. The dome kit includes one bracket for a regular camera. Optional bracket allowing the installation of up to four board cameras (**FS-0032**) is also available. The dome is furnished with a 1" x 6" long nipple and a flange for ceiling installation. Wall installation requires the **FSM1610** mount.
